CINCTIVE SCALES
USING AGIO SOLUTIONS

PICTURE THIS...

It's 2019, and you're an emerging alternative investment firm looking to make your mark. Your goal is to launch operations quickly and cost-effectively yet have the infrastructure to scale rapidly. You know you need a dynamic solution to keep up with an aggressive growth objective, but you want more than a provider. You want a partner who understands the big picture.

So, you turn to Agio for their innovative IT solutions.

THE PATH

Agio's SkySuite package seems a good fit for a lean startup, and you sign on. Disaster recovery, backups, hosted email, phishing protection, patching schedules and more—it's all included.

Fast forward to 2023: you've grown into about three times the number of employees. As you expand, so do the challenges—so long, startup solutions. You need the stability of a hardened enterprise-grade infrastructure.

Agio takes the time to understand challenges from your perspective and proposes solutions tailored to your requirements. They upgrade you to a more advanced, dynamic infrastructure ensuring the flexibility you need to scale seamlessly and execute innovative projects to stay competitive.

They build out VPN connections to your market feeds so you can route financial information exchanges to vendors, partners, and employees much easier. With simplified workflows and processes, your people can work efficiently. As time goes on and technology improves, you look to Agio for ideas and solutions that meet your needs as they're available.

THE PARTNERSHIP

As you go from startup to enterprise without the usual friction, Agio is there. Their proactive stance and tailored solutions aren't just about meeting present needs but anticipating the future. Their solutions scale along the way—and continue with ongoing network enhancements, security hardening, and right-sized scaling.

The outcome? The partnership continues to expand. Quarterly disaster recovery tests, on-site resources, and proactive ideas for enhanced infrastructure, efficiency, and security empower you. When your priorities shift, Agio shifts.

In the end, it's not only about firewall specs or service level agreements (SLAs). You have a trusted partnership grounded in experience and results. With Agio, there's a shared vision to see you grow seamlessly.
